

# INTERFAITH CAREGIVERS

Coordinating volunteers to help seniors and adults with disabilities in Polk County, WI with rides, visits, chores and more at no cost

## Mid-year Summary January 1 - June 30, 2017

A new client writes, "What a wonderful help you've been. Thanks to Interfaith Caregivers for arranging rides for me to my cataract surgeries. Was so supportive to be able to call you folks when I found myself in this need. And, as I love to read in your newsletters, for me, too, it has been a bonus in bringing two new and wonderful friends into my life, with Dick and his wife Debbie.

Thanks for being here in our corner of the world and bringing such cheer and such a major helping hand."
