

# Interfaith Caregivers - Polk County, WI

Matching volunteers to help seniors and adults with disabilities for rides, visits, chores and more - at no cost!

## 2019 Mid-year Summary

“Helen” has been using Interfaith for over four years. Recently, volunteers transported her to three different clinics while she tried to find out why it was so difficult to breathe.

Helen is feeling better now. She’s requesting rides for her other medical appointments, grocery shopping, banking and the hair salon.

“Eventually, when she called, I could tell she was getting better, just by the sound of her voice,” said Patti, Transportation Coordinator.

“Talking to Patti makes my day. She always makes me laugh! You have a wonderful organization. It’s a Godsend to me. I admire your volunteers for all that they do,” affirms Helen.

**Your generous gifts help others live independently in their own homes. You are: Neighbors helping neighbors!**
